## Top Ten Reasons to Adopt a Black Cat

1. We are always sleek, stylish & elegant.
2. You'll never lose us in a snowstorm.
3. Black fur won't show up on your [chic] black clothing.
4. Statistically speaking, we are friendlier than other cats.
5. We're happier because we look thinner!
6. In many cultures, we are considered GOOD luck.
7. We're slimming when draped over a lap.
8. We can easily accessorize our collars because everything goes with black.
9. We are always appropriately dressed at cocktail parties.
10. We take the longest to get adopted and need your help the most!!!
